

# The Art of Revenue Integrity: Scavenger Hunt

REVENUE  
INTEGRITY  
WEEK  
2022  
— JUNE 6–10 —

**REVENUE INTEGRITY WEEK IS UNDERWAY**, and this year we are celebrating with the theme of The Art of Revenue Integrity.

Revenue integrity experts are often called on to craft solutions that balance the details with the big picture.

Are you the top revenue integrity artist in your department? Show off your creative skills with the Revenue Integrity Week Scavenger Hunt. The rules are simple. Challenge your fellow revenue integrity artists to see who can find the following items at the fastest pace—this can be done virtually with your team or within your facility. To elevate the stakes, you can award a prize for the highest score within your department.
